

SUSTAINABILITY STUDY CONCURRENCE REPORT FORM-----LWVCO 2010

Principles Statement

Sustainability is a way of life which seeks a balance in meeting current environment, economic and human needs without compromising the ability of future generations to meet the same goal.

The concept of Sustainability is implicit in the Principles of the League of Women Voters. League positions are in compliance with the fundamental principle of sustainability, recognizing the interdependency among issues of public policy, and the impact of current decisions on the global welfare of future generations.

Does your league agree to add this statement to the Principles listed in the LWVCO Program for Study and Action book?

Yes _____ No _____ No Concurrence _____
